Social awareness programme on *Mental Health*

Kamargaon College, Golaghat, organized a Mental Health Awareness Programme on September 22, 2023 under the auspices of the Internal Quality Assurance Cell (IQAC). The event aimed to address the increasing importance of mental health, especially among students, and to provide valuable insights and resources for maintaining mental well-being. The session commenced with an introduction by the IQAC coordinator, who emphasized the need for mental health awareness in educational institutions. Mrs. Mousumi Sinha, the resource person, was introduced, highlighting her expertise in the field of mental health counselling. Mrs. Sinha delivered an engaging presentation that covered several key topics, including definition of mental health and its significance in daily life. Mrs. Sinha highlighted on the common mental health issues faced by students and talked about early signs of mental health issues. She also laid stress on the importance of recognizing these symptoms in oneself and peer. Highlighting on coping methods and practical strategies for managing stress and anxiety, she outlined the role of mindfulness, physical activity, and social connections in promoting mental well-being. She encouraged students to seek professional help when needed. In the aftermath of the presentation, an interactive Q&A session allowed students and faculty to engage with Mrs. Sinha. Participants asked questions about specific mental health concerns, which led to insightful discussions. Mrs. Sinha provided thoughtful responses and emphasized the importance of open conversations about mental health. The program concluded with a vote of thanks from the IQAC coordinator, who reiterated the importance of mental health awareness and the college's commitment to supporting students in this area. Feedback from participants indicated that the session was informative and beneficial, fostering a greater understanding of mental health issues.

Food Mela Cum Entrepreneurship Development Programme among students of Different Departments

Kamargaon College, Golaghat, Assam hosted a Food Mela Cum Entrepreneurship Development Programme on October 10, 2023. The programme aimed at fostering entrepreneurial skills among students while promoting ethnic food. This initiative was part of the college's commitment to enhance students' understanding of entrepreneurship and to celebrate the rich culinary heritage of the region. The primary objectives of the event were to encourage entrepreneurship among students and promote the diversity and richness of ethnic foods. Through the programme, efforts were made to provide a platform for students to showcase their culinary skills and entrepreneurial ideas. The programme featured esteemed resource persons: **Mrs. Mridusmita Borthakur** and **Dr. Bhoirab Gogoi**, both Subject Matter Specialists (SMS) from KVK, Golaghat. **Dr. Bhabesh Chandra Deka**, Head of KVK and Associate Professor, who provided insights into agricultural practices and sustainable entrepreneurship. Students from different departments set up stalls showcasing a variety of ethnic dishes, reflecting the culinary diversity of Assam. This not only provided students with practical experience in managing a food business but also attracted visitors from the college and the local community. The resource persons visited each stall of the departments and gave their valuable feedback. At the conclusion of the event, awards were given to the best food stalls and innovative business ideas, encouraging students to pursue their entrepreneurial dreams. The IQAC, Kamargaon College extends its gratitude to all participants, resource persons, and volunteers who contributed to the successful organization of this event. The college looks forward to hosting more such initiatives in the future to further promote entrepreneurship and cultural heritage.

Exposure and Awareness regarding *Job Prospects in Assam and Technological Advancements particularly Semi-Conductor*

Kamargaon College video-conferenced a session under the instruction of the govt. of Assam on *Job Prospects in Assam and Technological Advancements particularly Semi-Conductor* on 13th March 2024. The programme aimed at enhancing students' understanding of job prospects in Assam and the significance of technological advancements, particularly in the semiconductor industry. This initiative was part of the college's ongoing efforts to align academic learning with market needs and technological trends. Done on the occasion of the foundation day laying ceremony of the Semiconductor industry in Assam's Jagiroad and other places of India attended by the Honourable Prime Minister of India, the session intended to educate students about the current job market and emerging opportunities in Assam, discuss the importance of the semiconductor industry in technological development and inspire students to consider careers in fields related to technology and innovation. The event featured speeches by the country's prime Minister Mr. Narendra Modi, chief Minister of Assam Dr. Himanta Biswa Sarma, and other dignitaries present online. Students gained valuable insights into the job market and the burgeoning semiconductor industry, fostering a greater understanding of their career options. In the programme, the importance of acquiring relevant skills, such as coding, data analysis, and engineering principles, was highlighted, encouraging students to pursue courses that enhance their employability. The "Exposure and Awareness regarding Job Prospects in Assam and Technological Advancements in Semi-Conductors" program was a significant step toward bridging the gap between education and industry. Organized by the IQAC of Kamargaon College, the event not only informed students about current and future job prospects but also inspired them to pursue careers in technology and innovation.

Training programme on *Vermi Compost and Mushroom Development*

On April 9, 2024, Kamargaon College organized a daylong workshop focused on Vermicomposting and Mushroom Development. This event aimed to enhance students' understanding of sustainable agricultural practices and promote innovative farming techniques. The workshop featured resource persons who are 6th-semester B.Sc. Agriculture students from Assam Agriculture University, Jorhat. The workshop focused on educating participants about the principles and practices of vermicomposting, introducing the techniques of mushroom cultivation as an alternative source of income and encouraging sustainable agricultural practices among students and the local farming community. The workshop commenced with an introductory session highlighting the importance of organic farming and waste management. The resource persons presented detailed insights into Vermicomposting and explained in detail vermicomposting process and its benefits for soil health. They also arranged demonstration of the materials required for setting up a vermicompost system and initiated Hands-on activity where participants engaged in creating small-scale vermicompost bins. Further, they discussed in detail about Mushroom Development and gave an overview of various mushroom species suitable for cultivation, with a focus on oyster and button mushrooms. They provided step-by-step guidance on the mushroom growing process, including substrate preparation, inoculation, and harvesting. Discussions were held on the nutritional benefits of mushrooms and their role in enhancing food security. The workshop was highly interactive, with participants encouraged to ask questions and share their experiences related to composting and mushroom cultivation. Group discussions facilitated knowledge sharing and stimulated interest in these sustainable practices. Thus, the workshop on Vermicompost and Mushroom Development successfully provided valuable insights into sustainable agricultural practices. The participation of 74 students and other attendees from AAU not only enhanced the learning experience but also fostered a sense of community among aspiring agricultural professionals. The event concluded with a vote of thanks from the organizers, expressing gratitude to the resource persons and participants for their active involvement.

Awareness Programme : World No-Tobacco Day

On May 31, 2024, Kamargaon College conducted an awareness Programme on "Tobacco Prevention in Society," with an aim to raise awareness about the detrimental effects of tobacco use and promoting strategies for prevention. This event was organized by the Internal Quality Assurance Cell (IQAC) as part of its commitment to enhancing health education within the community. The prime objectives of the workshop were to educate participants about the health risks associated with tobacco use, discuss the social and economic impacts of tobacco consumption, explore effective strategies for tobacco prevention and cessation and engage students and faculty in community outreach initiatives related to tobacco control. The workshop commenced with an introduction by the IQAC coordinator, who emphasized the importance of addressing tobacco use as a significant public health issue. Bidyut Deori, the resource person, delivered an insightful presentation covering various aspects of tobacco prevention. The workshop included Key topics like Health Impacts, Socio-Economic Effects, and Prevention Strategies. Mr. Deori highlighted the extensive health risks linked to tobacco, including respiratory diseases, cancer, and cardiovascular problems. Statistics illustrating the prevalence of tobacco use among youth were particularly alarming. The discussion also encompassed the economic burden of tobacco on families and healthcare systems, underlining how tobacco consumption perpetuates poverty and hinders economic development. Mr. Deori advocated for a multi-faceted approach to tobacco prevention, including educational campaigns aimed at young people, implementation of stricter regulations on tobacco sales and advertising, community support programs for individuals seeking to quit, engagement and Outreach. The workshop encouraged participants to actively engage in local community initiatives, such as awareness drives and school programs, to foster a tobacco-free environment. The session included an interactive Q&A segment where participants posed questions about effective cessation methods and the role of policy in tobacco control. This interaction underscored the importance of collaborative efforts in combating tobacco use.

Celebration of World Environment Day in the College Campus and in Panidihingia L.P. School

The world Environment Day has been celebrated by the NSS Unit and Eco Club of Kamargaon College in Association with IQAC on 5th June,2024. Honourable Principal Dr. Gautom Kumar Saikia inaugurated the programme and addressed the crowd with a valuable speech on the occasion. Vice Principal Dr. Niru Das and Mrs. Lakhimoni Gogoi Head mistress of Panidihingia also joined the programme.

Free Health Camp at Goroimari High School for the people of the greater Kamargaon College on June 6, 2024

A Free Health Camp was successfully organized on June 6, 2024, at Goroimari High School for the people of the greater Kamargaon College area. The event was jointly organized by the Internal Quality Assurance Cell (IQAC) and the National Service Scheme (NSS) unit of Kamargaon College, in association with VKNRL, Golaghat.

The primary objective of the health camp was to provide free healthcare services and raise awareness about various health issues in the community. A total of 160 participants from nearby villages attended the camp, availing of free medical checkups and consultations. The camp featured a team of qualified doctors and healthcare professionals who conducted general health assessments, including blood pressure monitoring, blood sugar testing, and general health counselling. In addition to basic health services, the camp also focused on spreading awareness regarding preventive healthcare, sanitation, and nutrition. Medicines were provided free of charge to those who required them, and health-related pamphlets and educational materials were distributed to the participants. VKNRL, Golaghat, contributed significantly to the success of the event by providing medical supplies and logistical support. The organizing team ensured smooth coordination, with volunteers from the NSS unit assisting in managing the crowd, registering participants, and guiding them through various health check-up stations. The camp was highly appreciated by the local community, with many participants expressing gratitude for the free medical services and the opportunity to receive timely health interventions. The event not only served the immediate health needs of the population but also helped in fostering a sense of social responsibility and community well-being.

The health camp was a remarkable success, marking an important milestone in the collaboration between Kamargaon College, VKNRL, and the local community.

Awareness cum Sensitization Programme on Girl Child and Physical Changes during Adolescence & Sexual Harassment and Legal provisions on June 26, 2024

The Women Cell and the IQAC organised an awareness cum sensitization programme on *Girl Child and Physical Changes during Adolescence on June 26, 2024* at Kamargaon Girls' High School, Golaghat. Focusing on critical issues affecting girl children, the event aimed to educate participants about the physical changes during adolescence and raise awareness about sexual harassment, alongside discussing relevant legal provisions. The workshop began with an introductory address by the organizers, highlighting the importance of understanding both physical and emotional changes during adolescence. In Session 1 on *Physical Changes During Adolescence* Mrs. Ankita Kalita led the first session, discussing the biological changes that occur during puberty, emotional and psychological aspects of adolescence and the significance of self-care and health awareness during this transformative period. Interactive activities included Q&A sessions where students expressed their concerns and shared experiences, fostering a supportive environment. In session 2 on *Sexual Harassment and Legal Provisions* Ms. Shamima Khanom Juna facilitated the second session, which covered definitions and examples of sexual harassment, the impact of harassment on mental health and educational pursuits and legal rights and provisions available to victims of sexual harassment, including relevant laws and support systems. The session encouraged students to speak up against harassment and provided practical advice on how to seek help. The workshop was well-received, with active participation from students. Many expressed gratitude for the information shared, noting that it empowered them to understand and navigate their adolescent years more confidently. The resource persons emphasized the importance of open communication with trusted adults regarding any issues faced. The workshop, in short, provided valuable insights into both the physical and emotional aspects of adolescence while addressing the pressing issue of sexual harassment. The collaboration between Kamargaon College and Kamargaon Girls' High School proved effective in fostering a safe and informative environment for young girls.

Awareness cum Sensitization on Menstrual Hygiene for Girl Students on June 15, 2024

A workshop cum awareness programme on *menstrual hygiene* was conducted at Mohuramukh Higher Secondary School in Golaghat on June 15, 2024. The workshop was organized by the Women Cell in collaboration with the Internal Quality Assurance Cell (IQAC). The workshop aimed to educate and empower girl students about menstrual hygiene, break taboos surrounding menstruation, and promote health awareness. Through the workshop cum awareness programme, efforts were made to provide information on menstrual hygiene management, raise awareness about the importance of menstrual health, discuss myths and misconceptions related to menstruation and equip students with practical knowledge and skills for maintaining menstrual hygiene. The workshop was attended by 435 students from various grades, along with faculty members and representatives from the Women Cell and IQAC. In the inaugural session, Principal of Mohuramukh Higher Secondary School spoke briefly about the workshop and welcomed the Resource Persons namely Mrs. Mousumi Sinha, specialist for Mental Health, VKNRL, Golaghat and Dr. Karabi Saikia, doctor, VKNRL, Golaghat. The workshop included Presentation on menstrual hygiene, covering topics such as the menstrual cycle, hygiene practices, and the use of menstrual products and discussions of common myths and cultural stigmas associated with menstruation were held in the workshop. The event also comprised a practical demonstration on the use of sanitary products, including pads and menstrual cups. In the Q & A session, students raised queries related to menstrual hygiene, asked questions and shared their experiences. The workshop fostered an environment where students felt comfortable discussing menstruation and related issues and the participants gained a better understanding of the importance of maintaining menstrual hygiene for their health and well-being. It also helped in increasing awareness of the societal taboos and challenges faced by girls during menstruation and encouraging students to advocate for change. At the end of the workshop, Participants expressed gratitude for the knowledge shared and appreciated the opportunity to discuss issues that are often considered taboo. Many participants indicated a desire for follow-up sessions to further explore women's health topics.

Awareness workshop on Rhino Conservation On 22nd September 2022

On 22nd September 2022, Kamargaon College, in collaboration with Kaziranga National Park, Golaghat, organized an awareness workshop focusing on Rhino Conservation. The event aimed to educate the public about the significance of rhinos, the challenges they face, and the efforts being made to conserve their populations. A total of eight officers from Kaziranga National Park were invited for the talk. The workshop featured a panel of esteemed resource persons namely **Alakananda Kakati**, SDAO, Panbari, Bokakhat; **Ramesh Kumar Gogoi**, DFO, Eastern Assam Wildlife; **Jatindra Sarma**, Field Director, Kaziranga Tiger Reserve; **Dhurbajyoti Nath**, APS, Additional SP, KNP; **Chiranjeev P Jain**, IFS ACF, Assistant Director, KNP; **Tarun Gogoi**, FR-1, EAWL Division, Bokakhat; **Nayanjyoti Rajbongshi**, AFS, ACF, EAWL Division, Bokakhat; **Rabindra Sarma**, Research Officer, KNP. Emphasis was placed on the importance of community participation in conservation efforts. Resource persons encouraged local communities to take an active role in protecting rhinos and their habitats. The awareness workshop on Rhino Conservation organized by IQAC Kamargaon College in collaboration with Kaziranga National Park was a significant step towards educating the community about the importance of rhinos and the urgent need for their conservation. The participation of 330 individuals reflects the community's interest in wildlife conservation and the positive impact such initiatives can have. The knowledge shared by the resource persons will undoubtedly inspire participants to contribute to conservation efforts in their own capacities.

Orientation Programme on How to write a seminar paper on October 10, 2022

The Internal Quality Assurance Cell (IQAC) of Kamargaon College, in collaboration with the Department of English, organized an informative orientation programme on October 10, 2022 aimed at guiding students on how to write an effective seminar paper. The event was attended by a significant number of students from the English department, eager to enhance their academic writing skills. The orientation programme commenced with an opening address by the head of the English department, who emphasized the importance of seminar papers in academic development and research. Following this, the two resource persons, Mr. Punendra Das and Mr. Anjan Saikia, took the stage to share their insights and expertise. Mr. Punendra Das initiated the session by explaining the fundamental characteristics of seminar papers. He elaborated on the significance of choosing a relevant topic and conducting thorough research. Mr. Anjan Saikia followed with an engaging discussion on the structural components of a seminar paper. He outlined the typical format. The students expressed their gratitude for the practical insights gained during the orientation. Many found the tips on research methods and writing style particularly beneficial.

**Awareness on Biodiversity Street Play titled BONANI (Eng. Trans.-Forest Conservation)
On November 4, 2022**

On November 4, 2022, Kamargaon College organized a street play titled "BONANI," performed by its enthusiastic students to raise awareness about biodiversity. The event aimed to highlight the importance of preserving the rich variety of life forms and ecosystems that surround us. The play was performed by a dedicated group of students, engaging a total of 387 participants. Through dramatic storytelling and expressive performances, they conveyed critical messages about the significance of biodiversity, the threats it faces, and the collective responsibility to protect it. The vibrant depiction of various species and ecosystems served to educate the audience on the interconnectedness of life and the role each organism plays in maintaining ecological balance. This initiative not only showcased the talents of the students but also fostered a sense of environmental stewardship among the community. The event was a significant step toward creating a more informed and proactive public regarding biodiversity conservation. The programme assisted in sensitizing local community and students about environmental degradation and the paramount importance of forest and biodiversity conservation.

Children's Day Celebration Distribution of Grocery items, fruits, pen-pencils story book to the children and Drawing competition among the child of the Child Care Home is organised on the occasion of Celebration of Children's Day on November 14, 2022

On the occasion of Children's Day, celebrated on November 14, 2022, a special event was organized by the Internal Quality Assurance Cell (IQAC) of Kamargaon College in collaboration with the Children Home, Bokakhat. The event aimed to celebrate the spirit of childhood and promote creativity among the young residents of the Child Care Home.

The programme began with the distribution of essential grocery items, including foodstuffs, as well as fruits, pens, pencils, and storybooks to the children. This gesture was aimed at supporting the children's daily needs and encouraging their reading habits, which are essential for their overall development.

Following the distribution, a drawing competition was held among the children, giving them an opportunity to showcase their artistic skills and imagination. The competition encouraged the children to express their creativity and celebrate the joy of being a child. Additionally, a quiz competition was organized, allowing the children to test their knowledge and engage in a fun, educational activity.

The entire event was met with great enthusiasm, as the children actively participated in all the activities. It was an enriching experience for both the children and the organizers, creating a memorable celebration of Children's Day. The programme not only provided necessary resources but also fostered a sense of happiness and community among the residents of the Child Care Home, Bokakhat.

Awareness cum Sensitization Programme on AIDS and its Possible ways of Prevention on March 4, 2023.

The Internal Quality Assurance Cell (IQAC) of Kamargaon College, in collaboration with VKNRL Hospital, organized an informative talk titled "AIDS and Its Possible Ways of Prevention" on March 4, 2023. The event aimed to raise awareness about AIDS, its causes, transmission methods, and most importantly, the preventive measures that can be adopted to combat the spread of HIV/AIDS. The resource person for the session was Mrs. Kalpana Devi, a qualified counselor from the Civil Hospital in Golaghat, Assam. The talk began with a welcome address by the coordinator of IQAC, who emphasized the significance of spreading awareness about health issues, particularly AIDS, in the current socio-economic context. Following this introduction, Mrs. Kalpana Devi began her presentation. Mrs. Kalpana Devi commenced her talk by explaining what AIDS is, including its causes and how it is related to HIV. Mrs. Devi emphasized the importance of education and awareness in preventing the spread of the virus. Mrs. Kalpana Devi's expertise and engaging presentation style contributed to a better understanding of AIDS and effective prevention strategies. Almost 55 participants attended the programme and many attendees appreciated the emphasis on prevention and the practical advice provided, which they felt was crucial for their own lives and the lives of those around them.

Motivational cum career counselling programme on 09-03-2023

The Internal Quality Assurance Cell (IQAC) of Kamargaon College, in collaboration with the Career Counselling and Guidance Cell, organized an enlightening talk on "Right Choice of Career Options and Follow-up Actions" on 09-03-2023. The event aimed to guide students in making informed decisions regarding their career paths and to provide practical advice on subsequent steps. Dr. Neha Yadav, an esteemed Indian Administrative Service (IAS) officer currently serving in the Bokakhat sub-division of Assam, was invited as the resource person for the session. Dr. Yadav began her presentation by discussing the wide array of career options available to students today. She emphasized that students should consider not only traditional paths but also emerging fields. The talk concluded with an interactive session where students had the opportunity to ask questions and engage in discussions with Dr. Yadav. Many students sought advice on specific career choices and expressed their concerns about the challenges they faced in making decisions about their futures. Dr. Yadav responded with thoughtful insights and encouraged students to remain proactive and resilient in pursuing their goals.

Academic Discussion on Role of Higher Education in Socio-Economic Development of Contemporary Assam On April 27, 2023

On April 27, 2023, Kamargaon College organized an academic discussion titled "Role of Higher Education in Socio-Economic Development of Contemporary Assam." This event aimed to explore the critical contributions of higher education to the socio-economic landscape of Assam, addressing challenges, opportunities, and the path forward for educational institutions in the region. The discussion featured a panel of esteemed speakers, including educators, policymakers, and scholars, who shared their insights and expertise on the subject. The event commenced with a formal welcome by the Principal of Kamargaon College, who emphasized the importance of higher education in shaping the future of Assam. Following the introductory remarks, the session was opened for discussion, featuring contributions from various speakers. The insights shared by the speakers highlighted the vital connection between higher education and the socio-economic progress of the region. Kamargaon College plans to continue hosting similar discussions to promote awareness and collaboration among stakeholders in the field of education.

Awareness programme on Drug Addiction June 9, 2023

The Internal Quality Assurance Cell (IQAC) of Kamargaon College organized an important talk on the topic of "Drug Addiction" on June 9, 2023. This initiative aimed to address the alarming issue of drug abuse, particularly among youth, and to provide insights into its causes, consequences, and prevention strategies. The resource persons for the session included Amlan Jyoti Borah, Altab Khan, and Punyalata Gogoi, all associated with the Civil Hospital in Golaghat. Their combined expertise provided valuable perspectives on this pressing public health concern. The resource persons opened the session by defining drug addiction and discussing its prevalence in society. Discussions made on how family background, peer pressure, mental health issues, and socio-economic conditions can influence individuals towards substance abuse. The expertise of the resource persons—Amlan Jyoti Borah, Altab Khan, and Punyalata Gogoi—enriched the discussion and highlighted the urgent need for awareness and action regarding drug addiction. This initiative not only educated participants about the complexities of drug addiction but also encouraged them to engage in supportive dialogues within their communities.

NEP programme on Towards Positive Education on November 11, 2022

The Department of Education and the Department of Philosophy of Kamargaon College, in collaboration with the Internal Quality Assurance Cell (IQAC), organized a workshop titled "Towards Positive Education" on November 11, 2022. This workshop aimed to explore the concept of positive education, its principles, and its practical implications for educators and students. The event featured Dr. Pranjal Buragohain, an esteemed Assistant Professor from the Department of Education at Dibrugarh University, as the resource person. Dr. Buragohain initiated the session by defining positive education and its foundational concepts. He emphasized that positive education goes beyond traditional academic success, focusing on the overall well-being and emotional intelligence of students. The attendees expressed their appreciation for the workshop, noting that Dr. Buragohain's insights were both inspiring and practical. Many participants found the emphasis on well-being and character development particularly relevant, given the challenges faced by students in today's educational landscape.

Unity Run 2022 organised by the NSS unit among the local people of Kamargaon College on the occasion of birth anniversary of Sardar Vallabh Bhai Patel On October 31, 2022

On October 31, 2022, Kamargaon College, in collaboration with the National Service Scheme (NSS) unit, organized a Unity Run to commemorate the birth anniversary of Sardar Vallabhbhai Patel, the Iron Man of India. The event aimed to promote national integration and solidarity, emphasizing the importance of unity in diversity.

The Unity Run, which involved students, faculty, and local residents, began at the college campus and traversed key areas of the village. Participants displayed enthusiasm and vigor, reflecting the spirit of unity and national pride. The event also included slogans and placards highlighting Patel's contributions to the unification of India.

Through this initiative, the NSS unit sought to honor Sardar Patel's legacy while encouraging social harmony and active community participation. The event concluded with a pledge of unity, marking a successful and meaningful observance of the day.

Celebration of Mahavir Lachit Borphukon's 400 years birth anniversary on November 19, 2022.

The Department of History in collaboration with the National Service Scheme (NSS) Unit of Kamargaon College organized an enlightening talk on "Mahavir Lachit Borphukon" on November 19, 2022. The event aimed to commemorate the legacy of Lachit Borphukon, a revered military general in the Ahom dynasty, and to foster a deeper understanding of his contributions to Assamese history. Dr. Bantirani Gogoi, a retired professor of history, was invited as the resource person for the session. Dr. Gogoi began her talk by providing a detailed historical context of the 17th century, during which Lachit Borphukon rose to prominence. She discussed the socio-political environment of Assam during the Ahom dynasty and the threats posed by the Mughal Empire. Participants expressed their appreciation for the informative session, noting that Dr. Gogoi's insights greatly enhanced their understanding of Lachit Borphukon's significance in history. Many students felt inspired to explore more about Assam's rich heritage and the role of its historical figures in shaping regional identity.

Online Workshop on Recitation in Assamese on October 10, 2021

The Internal Quality Assurance Cell (IQAC) of Kamargaon College, in collaboration with Kabya Kanan, organized an engaging online workshop titled "Recitation in Assamese" on October 10, 2021. This workshop aimed to promote the art of recitation in Assamese literature, emphasizing its importance in preserving cultural heritage and enhancing linguistic skills among students. The session featured Dr. Gayatree Bora Kakati and Santichaya Saikia as resource persons, both of whom are well-respected figures in the field of Assamese literature and arts. The online workshop commenced with a warm welcome from the IQAC coordinator, who highlighted the significance of recitation as a cultural practice and its relevance in contemporary education. Resource persons made discussions on strategies for connecting emotionally with the text to convey its meaning effectively. Participants were encouraged to reflect on the emotions conveyed through different pieces of literature. The feedback from attendees was overwhelmingly positive, with many expressing their gratitude for the insights shared by the resource persons. Participants found the workshop to be both informative and engaging, noting that the practical exercises significantly enhanced their understanding of recitation techniques. Dr. Gayatree Bora Kakati and Santichaya Saikia's expertise and interactive approach fostered a deeper appreciation for Assamese literature and encouraged participants to embrace their cultural heritage.

Daylong training programme on Mushroom Cultivation on March 1, 2022

A Daylong Training Programme on Mushroom Cultivation was organized by the Internal Quality Assurance Cell (IQAC) on March 1, 2022. The training aimed at promoting sustainable farming practices and enhancing knowledge on mushroom cultivation techniques. Mr. Pranjal Baruah, Secretary of the Mushroom Development Foundation, Guwahati, served as the resource person for the event.

Mr. Baruah provided insightful guidance on the basics of mushroom farming, including substrate preparation, inoculation techniques, and maintaining optimal growing conditions. He also addressed the various health benefits and commercial potential of mushroom cultivation.

The session was highly interactive, with participants engaged in practical demonstrations and discussions. By the end of the training, attendees gained valuable skills that could be applied to both small-scale and large-scale mushroom farming initiatives. The event concluded with a Q&A session, where Mr. Baruah clarified the participants' queries.

General Health Checking camp in the college campus for the students, Staff and Local People on March 29, 2022

A General Health Check-up Camp was organized on March 29, 2022, by the Internal Quality Assurance Cell (IQAC) in collaboration with VKNRL, Golaghat, for the students, staff, and local community. The camp aimed to provide free health check-ups, raise awareness about preventive healthcare, and promote overall well-being.

A total of 68 participants, including students, staff, and local residents, attended the camp. Medical professionals from VKNRL conducted thorough check-ups, offering consultations on general health, blood pressure monitoring, blood sugar testing, and other essential screenings. Health-related guidance and advice were also shared, empowering individuals to take proactive steps towards improving their health.

The camp was a great success, providing valuable healthcare services to the participants and fostering a sense of community health awareness. The collaboration between IQAC and VKNRL played a key role in the smooth organization of this event.

Career counselling workshop on Guide to working of a film production crew On June 13, 2022

Kamargaon College hosted a daylong workshop titled "Guide to Working of a Film Production Crew," organized by the Internal Quality Assurance Cell (IQAC) in collaboration with the Career Counselling and Guidance Cell On June 13, 2022. The workshop aimed to provide students with an in-depth understanding of the film production process and the various roles within a film crew. Led by esteemed resource person Mr. Dhritiman Kakati, an award-winning short film director, the workshop offered valuable insights into the film industry for students interested in pursuing careers in filmmaking and related fields. The workshop began with Mr. Dhritiman Kakati introducing the participants to the basics of film production. The workshop included a practical demonstration where participants had the opportunity to engage in hands-on activities related to film production. Mr. Kakati demonstrated key techniques for shooting scenes and discussed the importance of teamwork in the production process. The workshop provided students with valuable knowledge about the film production process and inspired many to consider careers in this creative field.

Azadi Ka Amrit Mohotsov: Bujur gon Ke Sath Desh Ki Bat

On September 30, 2021, the NSS organized a meaningful conversational program titled "*Bujur Gon Ke Sath Desh Ki Bat*" as part of the *Azadi Ka Amrit Mahotsav* celebrations. The event aimed to connect local veterans and elderly citizens with the younger generation to share experiences and reflections on India's journey to independence.

Veterans from different walks of life were invited to speak about their personal stories, struggles, and sacrifices during the freedom movement. Their narratives provided valuable insights into the nation's past and the essence of independence.

The interaction fostered a sense of gratitude among the youth, who listened intently and engaged with the speakers. The event not only honored the contributions of the older generation but also instilled a deep sense of patriotism and national pride in the participants.

The program concluded with a heartfelt tribute to the freedom fighters and veterans.

Swachh Bharat: Clean India Campaign 7 day workshop 26th to 31st October ,2021

A seven-day workshop on the collection and disposal of waste plastics was successfully organized by the NSS unit of Kamargaon College in collaboration with the Bokakhat Municipal Board, as part of the *Clean India Campaign*. The event, held from October 26 to October 31, 2021, aimed to raise awareness about the harmful effects of plastic waste and promote responsible waste management practices.

The workshop engaged local communities, students, and municipal authorities in a series of activities designed to educate participants on the importance of reducing plastic usage, segregating waste, and promoting recycling. Volunteers, under the guidance of experts from the Bokakhat Municipal Board, actively participated in a cleanliness drive in various localities of Bokakhat, focusing on the collection and disposal of plastic waste.

Throughout the week, informative sessions and hands-on activities were conducted to equip participants with the skills and knowledge needed to effectively manage plastic waste. The event fostered a sense of responsibility among the participants, contributing significantly to the goal of a cleaner and greener environment.

This initiative was a meaningful contribution to the *Clean India Campaign* and highlighted the importance of community involvement in tackling environmental challenges.

National Level Webinar on New Education Policy 2020: Critical Thinking at the Crossroads on 29th September, 2020.

The IQAC of Kamargaon College organised a national level webinar on the topic NEW EDUCATION POLICY 2020: CRITICAL THINKING AT THE CROSSROADS on 29th September, 2020. The aim of the webinar was to provide participants with a comprehensive understanding of NEP 2020, its objectives, and its implications for the education system in India. Dr. Bhaskarjit Neog from Jawaharlal Nehru University, Delhi was invited as resource person. Dr. Neog provided an overview of the foundational principles of NEP 2020, highlighting its vision to make education holistic, flexible, multidisciplinary, aligned to the needs of the 21st century, and aimed at bringing out the unique capabilities of each student. He detailed the policy's focus on enhancing access to quality education, promoting vocational education, and integrating technology into the learning process. Several participants joined the programme till the end.

National Level Webinar on Lifestyle Changes, Nutrition and Covid-19

On September 28, 2020, a national webinar titled "Lifestyle Changes, Nutrition, and COVID-19" was organized by the IQAC, Kamargaon College. The webinar aimed to address the critical connection between lifestyle choices, nutrition, and the impact of COVID-19 on health. Dr. Aritra Pradhan from Shristi Hospital, Dibrugarh, was invited as the resource person for this important discussion. The webinar attracted a diverse audience, including healthcare professionals, students, and individuals interested in health and wellness from various institutions across the country. Participants actively engaged with Dr. Pradhan, posing questions and sharing personal experiences related to lifestyle changes and nutrition during the pandemic. The interactive format fostered a supportive environment for knowledge exchange. The national webinar on "Lifestyle Changes, Nutrition, and COVID-19" successfully provided valuable insights into the significance of nutrition and lifestyle modifications in promoting health and well-being.

Awareness Programme on Mental Health and Drug Addiction: Menace and Remedies

On 28th June, 2019, Kamargaon College, in collaboration with Civil Hospital, Golaghat, organized an awareness programme titled "**Mental Health and Drug Addiction: Menace and Remedies.**" This initiative aimed to educate students and faculty about the significance of mental health, the dangers of drug addiction, and the available remedies and support systems. The programme featured esteemed resource persons, Dr. Dipak Dutta, a psychiatrist, and Dr. Ratul Gogoi, a medical officer at SKK Civil Hospital, Golaghat. Dr. Dipak Dutta opened the session by discussing the significance of mental health in overall well-being. He highlighted how mental health disorders are often overlooked and emphasized the need for awareness and understanding in order to foster a supportive environment for those affected. The expertise shared by Dr. Dipak Dutta and Dr. Ratul Gogoi made the session informative and impactful. Such initiatives are crucial in creating a supportive environment for students, encouraging them to prioritize their mental health and well-being.

Career Counselling Programme on Career Opportunities and Avenues on 18.02.2020

A career counselling programme on the topic “Career avenues for Undergraduate Students” held on 18.02.2020 organised by IQAC, Kamargaon College. Dr. Buljit Buragohain, a renowned career counsellor of Assam graced the occasion as the resource person. He extensively deliberated on the topic. The session was designed to guide students in making informed career choices and understanding the skills needed in today’s job market. The program concluded with an interactive question-and-answer session, allowing students to seek clarification on various career-related topics. Mr. Buragohain addressed their queries, providing tailored advice based on individual interests and aspirations. Almost 120 participants joined the programme and it was a very successful programme as all the teachers and almost hundred twenty students actively participated in the programme.

Awareness Programme on The Outbreak of Coronavirus and the Possible Preventive Measures On March 13, 2020

On March 13, 2020, an awareness programme was organized by the IQAC of Kamargaon College and Medical Public Health Centre, Kamaragon. Dr. Samipjyoti Bora, Senior MPH, Kamargaon MPHC delivered his lecture on the topic “The outbreak of coronavirus and the possible preventive measures”. Dr. Bora began his presentation by addressing the audience’s concerns about the COVID-19 pandemic. He emphasized the significance of understanding the virus, its transmission methods, and the importance of collective responsibility in preventing its spread. It was a fruitful and timely lecture as the pandemic had been started in the European Countries and just one week after the lecture, the educational institutes were closed for the pandemic. Dr. Bora began his presentation by addressing the audience’s concerns about the COVID-19 pandemic. He emphasized the significance of understanding the virus, its transmission methods, and the importance of collective responsibility in preventing its spread.
