Objective of the scheme

- To sensitize the village about cleanliness, hygiene and environment protection.
- To suggest alternative ways for income.
- To aware villagers about socio-economic developments.
- To help the students in their education.

Context

Maximum student at the college are from nearby villages. Most of the students are from economically weaker, socially downtrodden families. The parents and guardians of the students are illiterate farmers, labour working at farm and elsewhere. They are suffering from many problems such as economic, education and hygiene etc. So with this agreement the college will facilitate the village -

- To maintain their hygiene and cleanliness.
- To support them to get the benefits of government policies.
- To empower the women socially and economically by helping them to start self-help group.
- To conduct a survey and to forward it to concern authority.

Selection of problem

It was decided in the meeting of staff under the chairmanship of principal to adopt village nearby the college. As this village are nearby to the colleges therefore this village is particularly selected this village by college.

Practice
